KEYNOTE SESSION

TAKING INNOVATION & LEADERSHIP... TO THE NEXT LEVEL

NASA astronaut, Tony Antonelli will join us to lead an exclusive leadership experience.

This three-part keynote will explore how businesses can learn from the innovation, experimentation, challenges and successes of space exploration, science and discovery, and how these can unlock change in your industry sector.

Interactive presentations with Q&A

Session 1: **From Earth to Space: Antonelli's journey to becoming an Astronaut**

Session 2: **Innovation: Leading the way to Mars**

Session 3: **Mastering the art of international leadership**

The programme will cover:

- Effective leadership
- Creative problem-solving
- Resource allocation
- Cross cultural communication
- Risk-taking and the value of failure
- Embracing a learning culture
- Leading in adversity
- Building successful global teams
- Realising your full potential

This is a unique opportunity for you to learn from the unique insights into how NASA prepares to return humans to the moon, exploration of Mars and beyond. You will embark on your own path to innovation, better prepared to navigate the transformational change ahead throughout every sector in the world of work.

EXPLORING INNOVATION & GLOBAL WORKING

Join leading thinkers and changemakers in leadership, global mobility and education for a dynamic and interactive afternoon. Further explore the impact of innovation on the future of business and global working.

A keynote panel, with host Jayne Constantinis, international television presenter and journalist, will draw on leading insights and reflect on significant themes covered in the morning's session.

A workshop session, 'Leading Through Dialogue', with chartered psychologist, author, leadership and dialogue coach Sarah Rozenthuler will help you to create the conditions for authentic dialogue with all of your stakeholders and make positive change happen, to build a better future.

Interactive Innovation Hubs will delve deeper into the day's key themes and provide opportunities to connect with peers from international companies and visionary leaders across diverse industry sectors. You will have the opportunity to meet the Think Global People Community and share knowledge and discuss innovative ideas.

Think Global People & Relocate Global Awards 2023

4-5pm - Winners of our prestigious awards will be announced at the live ceremony, followed by celebratory drinks reception and delicious 'taste of Kent' refreshments.
