WE ARE
THRILLED
TO WELCOME
YOU TO THE...

FUTURE OF WORK FESTIVAL

— INCLUDING —
AWARDS CEREMONY

This will be a really, special opportunity to connect with some of the brightest thinkers across global mobility, experts in international leadership, HR and education. Enjoy our glorious countryside setting to stimulate great thinking and new beginnings.

You will hear from an exceptional, keynote panel of speakers, who will explore with our host, Jayne Consantinis, trends and cutting-edge ideas that are emerging, post pandemic to support new ways of working.

We have brought together a host of experts to share their knowledge, in lively interactive Hub conversations. Explore new concepts and solutions in an informal and stimulating environment. Take advantage of two taster workshops: one to explore the power of dialogue for change; and a second where you will discover how to unlock individual and organisational transformation.

We will reveal the winners of the 2022 Awards and celebrate in style, their 15th Anniversary at the end of the day.

We hope you enjoy this unique opportunity to explore the changes across industry sectors around the world and their impact on working practices and the future of work.

Fiona Murchie
Founder and Managing Editor
