Multimedia to engage and inform our global audience

OUR MEDIA

Our websites relocateglobal.com & thinkglobalpeople.com connect, inspire and inform our audience of leaders, decision makers and experts across global mobility and international business.

Our websites average over 500,000 page views per year. Global Mobility features specialist sectors such as Serviced Apartments, Immigration, Partner and Family Support as well as more general sectors such as International Assignments, Mobility Industry and Technology enabling targeted information and engagement touchpoints to reach our global audience. See below for the full menu.

Additional promotional opportunities through our digital [Think Global People/Relocate magazine](#), [Events](#), [Think Global People and Relocate Awards](#) and our monthly e-newsletter.
